Journal: Nature Communications

Query No.	Description	Author's Response
GQ1	Please check Figures 1, 2, 3, 4, 5 for accuracy as they have been relabelled.	
GQ2	Please check and ensure that the licence type at the end of the paper matches the version on the Licence to Publish form submitted at accept.	
GQ3	To ensure clarity and avoid mistakes in the mathematics in your paper, please check all mathematical equations and symbols carefully for accuracy and consistency. Scalar variables should be italic while vectors should be bold. Subscripts and superscripts should only be italicized if they too are variables or constants. Please also carefully check that units on quantities have been typeset correctly.	
GQ	Author surnames have been highlighted - please check these carefully and indicate if the first name or surname have been marked up incorrectly. Please note that this will affect indexing of your article, such as in PubMed.	
Q1	Please provide department name in affiliation 1, if applicable.	
Q2	Please provide the author contributions statement.	
Q3	Please describe the meaning of the error bars in Fig. 3.
